

REMARKS

Claims 1-13, 15-17, 19, and 20 remain in the application.

Double Patenting

Claims 1-13, 15-17, 19, and 20 stand rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-18 of U.S. Patent No. 6,777,258.

A terminal disclaimer is filed herewith to overcome the double patenting rejection.

Conclusion

For at least the above reasons, it is believed that claims 1-13, 15-17, 19, and 20 are in condition for allowance. The Examiner is invited to telephone the undersigned at (408)436-2112 for any questions.

If for any reason an insufficient fee has been paid, the Commissioner is hereby authorized to charge the insufficiency to Deposit Account No. 50-2427.
